

YELLOWJACKETS TO MEET SPIDERS

Clever and Closely Contested
Football Game at Broad Street
Park To-Day.

VIRGINIA VS. V. M. I. TEAM

Washington and Lee University
to Test Strength of the
V. P. I. Team.

At 4 o'clock this afternoon one of the clearest, cleanest and best contested football games of the season will be played at Broad Street Park. The eleven of Richmond College and Randolph-Macon College will meet for the first time this season, and a hard struggle from the opening whistle to the closing may be expected. An admission fee of 50 cents will be charged, with no additional charge for seats. Both teams are coached and conditioned to a fine point, and when they face each other there will be action every moment until the close. The game will afford one of the best exhibitions of the open game ever seen here, the spectacular forward pass, brilliant end runs, tries for field goals, double passes and end-side kicks all being tried in the effort to advance the ball.

Randolph-Macon has been coached by one of the best ends the University of Virginia ever turned out, while Coach Dunlap, of Richmond College, is a master of strategy and successful playing tactics. In weight the teams average about the same, each being about 150 pounds in uniform. Any difference of weight will count for little in the open game, which puts a premium on celerity and alertness and accuracy in hand. Naturally each team has guarded its line of the ball, and delegates to the past the mass plays on tackle and guard. Plans closely, but both have many tricks in readiness, and will spring them at the opportune moment.

The line-up of the two elevens published yesterday is as nearly correct as can be ascertained prior to the moment of play. Richmond College had its final practice yesterday, being carried through signal work and then drilled in defensive work against the scrubs, finishing with a sprint around the campus. Apparently all the men are in good condition, with the possible exception of Walte, who has been illing somewhat.

The game should be a beautiful and close one, with the odds slightly favoring the Richmonders. Good football critics predict that Richmond will win by more than 10 to 12 points, if a victory be secured at all. The uncertainty prevails as to the result, and the game is expected to be close. The game will start to-day at 1 o'clock and halves of twenty-five minutes will probably be played.

VIRGINIA PLAYS
V. M. I. CADETS

Game Will Be Hardest Struggle
University Team Has
Yet Had.

CHARLOTTESVILLE, VA., October 18.—Virginia's game to-morrow with the Virginia Military Institute promises to be the hardest contest scheduled for the home grounds this season, and no doubt Head Coach Johnson will send in his strongest team.

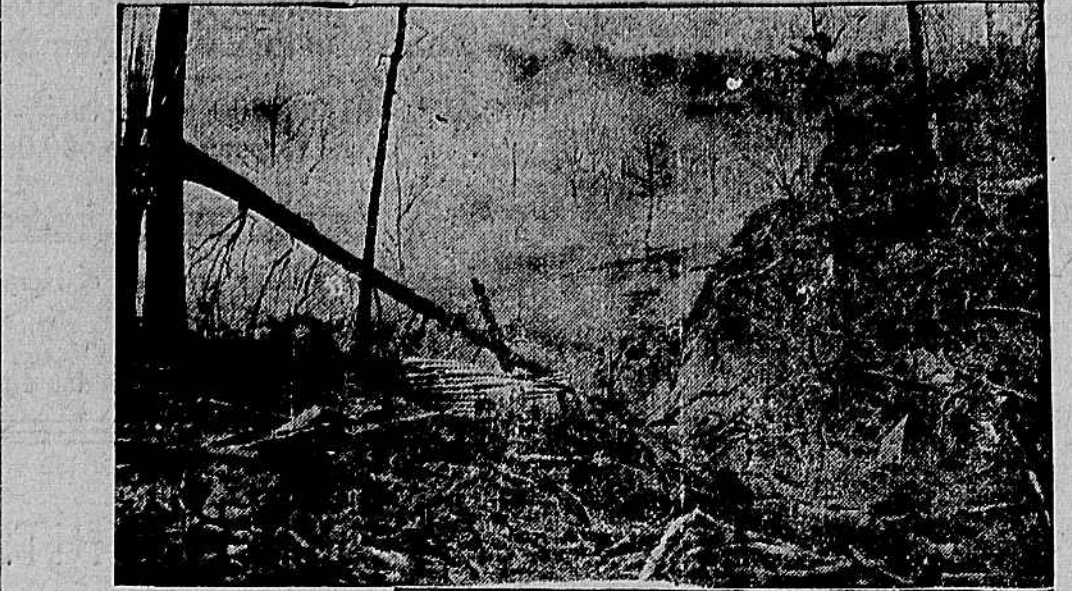

Despite the fact that the practice this afternoon was strenuous, but few injuries have resulted, and the players are in fairly good physical condition. There was no scrimmage this afternoon. Four teams were sent through signal practice, however. The players on the varsity were given a long drill in running back and getting down on kick-offs, while the backfield men engaged in punting and goal kicking.

Coach Johnson will select his team to-morrow from the following members of his squad: Maddox or Tallferro, right end; Wellford or Holladay, right tackle; Williams or Wood, right guard; Glott or Kollock, center; Doan or Caffee, left guard; Grier or Deell, left tackle; Jones or Randolph, left end; Honaker or Cosby, quarterback; Crawford or Rume, right half-back; Neff or Caldwell, left half-back; Yancy or McMurdo, fullback.

Good Game at Lynchburg.
LEXINGTON, VA., October 18.—Washington and Lee football team left to-night for Lynchburg, where they play Virginia Polytechnic Institute to-morrow afternoon. A special train will leave here to-morrow morning at 8 o'clock, and quite a large crowd of students and others is expected to visit the Hill City to witness the game.

Championship Shot To-Day.
The postponed championship for the city of Richmond will be shot this afternoon on the grounds of the Deep Run Hunt Club. There are several good shots in the city, and it is an open question who will be the winner. All interested in trap and field sports are invited to attend.

OLD ORIOLES DEFEAT EASTERN LEAGUERS

Hoffer Pitches in His Old Form
and Wins Out
Easily.

BALTIMORE, MD., October 18.—The members of the Old Oriole Baseball Club, three times champions, a dozen years ago, to-day, trounced the Baltimore Eastern League Club of the past season in proper shape, making eight runs, thirteen hits and two errors, against the youngsters. Four runs, eleven hits and three errors.

Hardy, for the youngsters, was roughly handled by the old batsmen, and Burchell, who succeeded him, met with like trouble, while Hoffer, who pitched for the Orioles, kept the hits scattered. Manager Hughie Jennings, of the Detroit team, played second-base for the Orioles, and was given a rousing reception. In response to requests a fourth game has been arranged for to-morrow.

DAVE JOHNSON WINS
HEAVILY BY PLUNGING

(Special to The Times-Dispatch.)
NEW YORK, October 18.—Dave Johnson, who has won and lost several fortunes on the turf, enjoyed a streak of phenomenal luck at Belmont Park to-day. When the last race was run, he figured that he was \$50,000 to the good. Johnson has always been strictly a form player, so that with the success of the favorites and a second choice, he was in his element. Johnson began the day with a \$3,500 wager on St. Anthony, at 15 to 5, in the first race. He not only cashed this bet, but also had a wager on Yada to show, at 6 to 1, winning \$11,000 on the race.

It was in the Fordham highweight handicap that the plunger made his most daring play. He wagered \$4,500 straight on Ben Ban, at an average of 18 to 5, which netted \$17,000.

MEDICAL ELEVEN TO PLAY.
Football Eleven Will Meet Fredericksburg College To-Day.

The football eleven of the Medical College of Virginia will leave at 8:40 A. M. to-day for Fredericksburg, where at 3 o'clock this afternoon they will play the Fredericksburg College football team. The Meds deserve credit for what they have accomplished, their time being so limited that they have only early morning practice. Coach Simpson and his assistant, Mr. Cowles, are developing a very good light team, the average of weight being only about 145. A large number of students will go up to the game either on the morning or noon train to-day. Here is the line-up of the Meds for the game:

Blackston, left end; Tule, left tackle; Smith, left guard; Sheffield, center; Banks, right tackle; Woolwine, right guard; Ward, right end; Cowles, quarterback; Abbott, left half; Hankins, right half; Simpson, fullback. Substitutes—Wynne, Early, Brady and Cannaday.

SALE OF HARRIMAN'S SHOW RING HORSES

Nala and Others of the Best
Withdrawn and Seven
Sold.

NEW YORK, October 18.—Joseph W. Harriman, a nephew of E. H. Harriman, who has won and lost several fortunes on the turf, enjoyed a streak of phenomenal luck at Belmont Park to-day. When the last race was run, he figured that he was \$50,000 to the good. Johnson has always been strictly a form player, so that with the success of the favorites and a second choice, he was in his element. GERMAN'S GOOD SCORE.
Well-Known Trap Shooter Breaks 184 of His 100 Targets.

WILMINGTON, DEL., October 18.—William M. Ford, of the Wawaset Gun Club, won the championship of Delaware at the second day's shoot in the annual fall tournament of the Delaware State Trap Shooters' League, held at Newark. Ford broke ninety-three out of a possible 100. The championship was held by A. B. Richardson, of Dover, son of United States Senator Harry Richardson, but he did not defend the title.

L. S. German, of Aberdeen, Md., was high professional gun, breaking 184 out of 100. German was high gun for the two days. J. M. Hawkins, of Baltimore, was second, with 182. W. M. Ford was high amateur, with 180 out of 100.

AMONG THE PUGILISTS.
Several Prospective Matches Among Big and Little.

Billy Roche has been chosen to act as referee for the Jack Johnson-Elmyr fight at Colma, Cal., October 24th.

Jack Johnson says he is willing to fight Tommy Burns in a twelve-foot ring or on bare feet, but he will agree to fight him.

Bob Clark, manager of Sailor Burke, has an offer of a match for Burke with Young Peter Jackson at one of the Goldfield clubs. Burke would be easy for Jackson.

Engwag Jack'Brien, the featherweight boxer and wrestler, is now training in Ohio, where he is matched to fight Young O'Leary in rounds at Toledo to-night. If he wins, he will have a number of other contests promised him.

The National Sporting Club, London, Eng., has scheduled November 25th for the fight between Gunter Moir and Tommy Burns. The purse offered is \$2,500, and, according to the reports from the other side, Moir will be backed heavily by the English sporting men.

RACES AT HAGERSTOWN.
Many of the Harness Horses Shown Here Are Racing There.

Several of the horses that participated in the harness races at the Virginia State Fair are now racing at the Hagerstown, Md., fair and are winning the races in which they are entered. Naima yesterday won the 213 trot in 2:14 1-4, with Dossie Vli-

GENERAL WATTS
BREAKS RECORD

LEXINGTON, KY., October 18.—General Watts to-day trotted the first heat of the Kentucky stake in 2:04, establishing a new world record for three-year-olds trotters, and beating by two seconds the former record of 2:06, held by Kentucky Todd, at Columbus. The colt won the second heat in 2:05, making the fastest two heats ever trotted by a three-year-old in a race.

The 2:10 trot went to Uncle William in straight heats. J. J. and Dewey G. had won two heats and Red Bow one heat of the 2:15 pace, when it was postponed until to-morrow on account of darkness. The meeting closes to-morrow. Summaries:

First race—2:10 class, trotting, purse \$1,000; heat three in five—Uncle William won three straight heats and the race; Bl. Flora, second; Daniel, third. Best time, 2:07 1-4.

Second race—the Kentucky stake, three-year-old, trotting, purse \$2,000; heat two in three—General Watts won two straight heats and the race; Bl. Flora, second; Daniel, third. Best time, 2:04 3-4.

Both Teams Arrive.
(Special to The Times-Dispatch.)

LYNCHBURG, VA., October 18.—The eleven representing Virginia Polytechnic Institute and Washington and Lee

reached here to-night for to-morrow's game. Two hundred students from Lexington will come by special to-morrow. There is much interest in the game here, and a large crowd is anticipated.

McFarland Wins.
INDIANAPOLIS, IND., October 18.—Jacky McFarland, of Chicago, knocked out Joe Galligan in the ninth round of a ten-round bout. The fight was very tame until the eighth round, when McFarland began fighting in a fierce manner, knocking Galligan down four times in the eighth and ninth rounds. Galligan was substituted for Tommy Murphy.

Successful Woman Gunner.
LOCKPORT, N.Y., October 18.—The most successful hunter since the opening of the rabbit season in this section is Miss Annie Buver, of East Bald Eagle Station. When she came into town Thursday from a day's hunting trip near Cherry Run, she carried five rabbits and two pheasants which fell to her unerring aim.

She marched down Main Street on her way home, attired in her nobby hunting suit, with cartridge belt and the game hanging about her waist, carrying her gun and followed by her two highbred hunting dogs, she was gazed upon with envious eyes by her less fortunate Nimrods.

HARRIMAN TO OUST FISH
Railway Magnate Will Urge John J. Mitchell to Succeed Him.

CHICAGO, ILL., October 18.—The meeting of stockholders of the Illinois Central Railroad to-day will be postponed this time until 2:30 o'clock Saturday afternoon.

No other action was taken. The delay was caused by the inability of the committee on proxies to present its report. The checking up of the proxies is a task of such huge proportions that it is uncertain when the committee will be able to report.

E. S. Conway, chairman of the proxy committee, informed President Harriman that it was probable that he would get through by to-morrow forenoon.

The delay has become irksome to Mr. Harriman, and he said today that it was necessary for him to be in New York on Monday, although he did not see how he could leave Chicago before the conclusion of the stockholders' meeting.

It was officially announced to-day by President Harriman that John J. Mitchell, president of the Illinois Trust and Savings Bank, will be Mr. Harriman's candidate for the directorship now held by Mr. Fish.

The delay in reaching a vote on the election of directors has caused many of the small stockholders to abandon the meeting. It is not known how many of these who attended the opening session have left for home.

DESECRATE KRUGER GRAVE
Thief Attempts to Steal Marble Bust of Transvaal President.

JOHANNESBURG, TRANSVAAL, October 18.—A painful sensation has been caused by the discovery that the marble bust of the late President Kruger, in the cemetery at Pretoria, has been desecrated. The marble bust of the ex-President has been torn from its base and carried off by a thief.

Since the desecration in 1904 of the grave at Pretoria of Prince Christian Victor of Schleswig-Holstein, who died of fever in South Africa, October 25, 1900, while serving in the British Army, the police have paid nightly visits to the cemetery.
